LOS PEPES

R E S T A U R A N T

Brothers Forever

From an early age the young brothers knew they loved cooking and being in the kitchen. Learning from their mother as boys they learned the basics of cooking a good hearty meal for many people. The brothers used the knowledge gained from their mother to create their own style of cooking and made their own recipes you see today.

In 2001 the brothers opened up their first business together in Woodland, WA named Los Pepe's. Picking the name for their business wasn't easy, they wanted to incorporate their heritage and family into it. Now you're wondering how the name Los Pepe's does that; well "Pepe" is a synonym or nickname for "Jose" and "Los" in spanish means "The". When translated Los Pepe's means The Jose's. Both the brothers share the first name of Jose, the name of the restaurants come from their own names.

Currently there is four locations in Washington (Woodland, Longview, Vancouver, and Battleground) where you can get a hearty meal for you and your family. Los Pepe's strives to serve every meal like you are part of our family. We thank you for your love and support over the years.

The Brothers and staff.
